

## FLEXYNEXT

- ✓ 100% transparent
- ✓ UV-resistant (sunlight-resistant)
- ✓ Applicable on wet gravel

## FLEXYCRYSTAL

- ✓ 100% transparent
- ✓ UV-resistant (sunlight-resistant)

## FLEXYSTONE®

- ✓ Amber colour
- ✓ Recommended for use with darkcolored gravel
- ✓ Self-cleaning thanks to UV exposure, which removes surface buildup and restores the natural look of the gravel

## SANDFIX-14

The Solution for a Non-Draining  
FLEXY Surface

- ✓ 95% waterproof
- ✓ Available in 4 standard colors
- ✓ Provides a smooth finish
